

Sunday Morning Worship

One of the many 'get in the presence of God' services at Bethel Chapel is our Sunday morning worship services. Worship to upbeat/contemporary/older music, listen to God's word and rub shoulders with people who are just like you. The overall experience of our Worship Service equips you with the tools to apply God's truth to your life. It is time spent giving God praise, searching for truth, understanding relationships, figuring out how to become a better parent, a better husband or wife, and grasping what it means to live a more fulfilling life.

Join us Sunday mornings for Our Worship Service at 10:00am.
