Bethel's Vision

We believe that GOD, the Father, loves to be with His children. His plan from the beginning was to have a family to fellowship with and to bring Glory to Him.
(Psalm 16:11; Gen 3:8)

We believe that JESUS, the Son, died, was buried and rose again. He provides a perfect plan of salvation in order that all mankind would have a chance to accept Him or reject Him. Once we become born again we can mature in a personal relationship with the Godhead.(John 3:16; Romans 10:9,10; John 14:6)

We believe the HOLY SPIRIT is a comforter, and comes to give us power by operating in us and through us. By His leading we are changed and our witness becomes more effective and fruitful.(John 14:26; Acts 1:8; Galations 5:22, 23)
